

Lehi Legacy Center Dance Program

Winter 2020 Dance Information

Starting January 6th to May 2nd, 2020

Hello Parents,

Welcome to the Lehi Legacy Center Dance Program! We are so excited to have your child and want you to be aware of a few reminders to ensure the success of our program.

Payment Process:

Payments are due by the **20th** of the current month for the following month. For current students, a **BALANCE** is created and must be paid on-line between the **1st and 20th** to secure a spot for the next month. It is your responsibility to secure your child's spot. Please create an account on-line or register at the Legacy Registration Office during normal business hours. Attached is an informational sheet on how to set up an account. With our new on-line payment system, this should be fairly simple and much easier than in the past.

The winter enrollment fee **MUST** be paid before classes start. Your child will not be able to participate in class until the enrollment fee is paid. The enrollment fee is a one-time payment (per semester) of \$25. That can be paid online or at the registration desk. There will be no payment for May or costume fee.

Drop off and Pick up for participants 7yrs and younger:

Children seven years and younger need to be brought into and picked up from the classroom. Please help us make dance a safe environment for your child by following this policy. Please be courteous to our instructors by not dropping your child off any earlier than 5 minute before class and picking up on time. Also, please have them use the restroom before they come to class.

Drop off and Pick up for participants 8yrs and older:

We have been experiencing a bit of a traffic jam in our main parking lot and are asking for your help to resolve it. As some of our larger programs are starting and ending, we have parents waiting in the circle drop off area. The line gets so long that patrons parked in parking stalls are not able to pull out of their parking spots due to being blocked in. We ask that instead of waiting in the line or in the circle that you either park your car and walk up to meet your child or park in the stall until you see your child come out of the building and then pull up so they can get in your vehicle. We appreciate your help in keeping our parking lot safe, being respectful of other patrons parked in the parking lot, and help picking up and dropping off to be more efficient.

NO Class Dates:

February 17th Presidents Day

April 6th -10th Spring Break
